

# BOOKING YOUR BOOK FAIR WITH BOOKWORKS!

Bookworks wants to host a book fair for your school. As your local, independent alternative, Bookworks can offer students a world of high quality, curated books, including classics and popular books, as well as new, cutting edge titles. We can work with your school on themes of your choosing, books from local authors or writers of color or other underrepresented communities, and a selection from both large trade publishers and small presses. We can also offer your students discounted and used books.

Bookworks makes it easy for your school by handling all the customer service, ordering, and set up of the book fair—any time of the year. We will staff your book fair, break down and clean up, and return unsold books. The only work on your part is to schedule your school's book fair with us!

As an alternative to a book fair at your school, Bookworks can also host your school's book fair in our store. Just schedule a date for your school to shop, during the day or an evening, and your school will enjoy the same benefits as a book fair at your school—but with the convenience and selection of all the books in our store and no logistics except getting the word out to parents and students.

*For more information or to schedule your school's book fair, please contact School Liaison, Jennifer de Garmo, at [jennifer@bkwrks.com](mailto:jennifer@bkwrks.com) or at 505-344-8139.*
