SCHOOL BULK ORDERING INFORMATION

Bookworks loves to work with schools of all shapes and sizes. We offer bulk ordering of supplemental reading material you may need in the classroom. We are an APS approved vendor and offer 20% discount on most book orders. We also will deliver for free.

You will need to provide a booklist at least a month in advance of when the books will be needed. Let us know the title and quantity. If there is a specific edition you need, please provide us with an ISBN number as well. We will provide you with a price quote. When the quote is approved, send us a Purchase Order number and we will order the books. Allow two weeks for ordering and shipping.

Please contact Bookworks School Liaison, Jennifer de Garmo, at jennifer@bkwrks.com 505-344-8139 for questions and price quotes.
